

3 RIVERS SAM NEWSLETTER MAY 2017

PRESIDENT'S MESSAGE

We're back from a great outing at Crow Butte. There was a good turnout of 17 rigs and we enjoyed great weather (some might say good fishing weather). A big thank you to our hosts Ron, Bob H., Roxie, Dot. and Shorty for a great time and lots of good food (as usual).

Thanks to Grace and Gary for providing the photos

Roxie received the Dogs for the Deaf patches for 2016, and this is a special year for the chapter - we were TOP DOG as far as donations go and were first in the nation in amount of donations. If you did not get your patch at the campout, I will bring them along to breakfasts and to Moses Lakes so that you can be sure to get yours. Good Job Three River Sams!!!!

Lew has gone over and updated (again) the roster so that we are certain that Gerry has everyone's e-mail and address to send out the newsletter to all current and Distinguished Members. If you are not getting the newsletter, please let Gerry know so that we can try to resolve the problem as she is sending them out to all on the roster. She is also very glad to receive information for the newsletter, so if you have news to share, an ad to place, a joke to tell, please let her know.

John Evans and Rose Moore are well on their way to recovering from successful surgeries and Richard Duncan is scheduled for another surgery at the end of the month - we wish him well. I can attest to the fact that our good buddy, Chuck Hall, is doing well and serving up his own brand of good humor and positive attitude at Avalon Rehabilitation Center. He welcomes visitors and is working hard at making physical progress. Our thoughts and prayers go out to both Chuck and Gerry.

I'm sure we're all looking forward to a good week-end in Moses Lake. I think our state director, Donna Amos, has been working hard to get some new life into the program and hopefully you will enjoy the things that they have planned. Due to the busy schedule, I think we'll have our chapter meeting at 3:30 pm on Thursday, right after the Cow Pie Toss. Watch for signs and our white board confirming the time and place of the meeting. We'll have our breakfast and lunch fundraisers going strong so please be sure to check out the work chart that Ron will have available to know when and how you can help - if we all do a little, none of us will have to do a lot (OK, Ron - you will still have to do a lot!).

Last, but certainly far from least, I want to send out a huge THANK YOU to Rose, my Vice-President who did such an outstanding job filling in for me while we were gone. Since I do take my job as President seriously, I do appreciate all she did to communicate with me and keep me in the loop of things that were going on. We worked very well together and she made my job very easy. Thank you, Rose - you're the best!!!

September 2 & 3

Friday/Saturday

Roxie will chairperson our 2017 Yard Sale. START COLLECTING. Collecting and pricing will begin at Ron B house after the Moses Lake camping.
